

RESOLUTION

of the First International Roundtable on the topic
"International Cooperation in the Context of Global Economic Challenges"
which took place at the West Ukrainian National University
on 25 April 2024

Ternopil - Ukraine

With the participation of international partners and guests: Germany, Italy, Kazakhstan, Moldova, Poland, the United Kingdom, the United States of America and other countries

CONTENT ,

The Resolution on the establishment of the International Discussion Platform on topical issues of the global space No. 1/2024 was adopted on 25 April 2024 at the First International Roundtable on the topic "International Cooperation in the Context of Global Economic Challenges" by open voting of the countries participating in the event, 100% of which voted for___, voted against___, and___ participants abstained. The meeting was convened to address issues of concern to societies in the wake of Russia's full-scale aggression against Ukraine, as well as the need to deepen international cooperation in the face of global challenges. The meeting was convened to address issues of public concern during the period of Russia's full-scale aggression against Ukraine, as well as the need to deepen international cooperation in the face of global challenges.

The authors of this resolution were roundtable participants from Germany, Italy, Kazakhstan, Moldova, Poland, Ukraine, the United Kingdom, and the United States of America. The Ukrainian side stated at the meeting that this Resolution launches the creation of a discussion platform that aims to meet at least once a year to discuss topical issues of various spheres and directions of development of societies of all countries of the world that are of concern to humanity. If necessary, such meetings can be initiated by representatives of other countries, permanent members of the International Discussion Platform, which is open to cooperation on equal terms. To this end, an email box has been created at the West Ukrainian National University to discuss initiatives or proposals from all participants: discuss.platform@wunu.edu.ua. The mailbox is relevant throughout the year. We invite you to cooperate.

THE GOAL IS TO CREATE AN INTERNATIONAL DISCUSSION PLATFORM:

Formation of an international information space among scientists, educators, professional experts - specialists in various fields of activity - to cover, publish and discuss current issues, as well as to find effective and optimal ways to solve them, taking into account the best world achievements of modern theory and practice.

GOALS AND OBJECTIVES OF THE INTERNATIONAL DISCUSSION PLATFORM:

GOALS:	TASKS:
<ul style="list-style-type: none">● Constructive exchange of views on the need to develop international partnerships to ensure socio-economic stability in the world● Generating new ideas and approaches to deepen international cooperation under the influence of globalization, political, digitalisation, environmental and demographic challenges● Expanding the scientific and practical areas of international discussion on topical issues● Involvement of experts from various fields of activity in discussing important issues of global dimension	<ul style="list-style-type: none">● To increase the attention of the scientific community and practitioners to destabilising factors influencing political, economic, social and environmental processes in the world● Identify priority areas of international cooperation● To reveal the prospects for the development of international partnership in the context of current challenges and threats● To exchange experience in the implementation of international cooperation activities● To develop proposals for the development of innovative tools for partnership between countries

THE EXPECTED OUTCOME OF THE INTERNATIONAL DISCUSSION PLATFORM:

Establishing ties with scholars, professionals, and active youth from other countries to share experiences, promote democratic initiatives, and activate civil society in Ukraine and abroad

Dissemination of international experience in highlighting, publicizing and finding solutions to pressing social problems

Promotion of the developed proposals by the participants of the International Discussion Platform in the information space

Implementation of the obtained results in the domestic practice of economic entities

Presentation of successful examples of international cooperation and world practice of solving topical issues in the educational process
